and I wish our non-Muslim Members and families **A HAPPY FESTIVE HOLIDAY.**

## President's Raya Message

Indeed this is yet another festive opportunity in our rich, multiracial and multi religious country for all of us to celebrate with goodwill, gratitude and unity.

Let us leave aside our differences, our complaints, our dissatisfaction .and all else that gave us anxiety, pain and disappointments these past months and instead partake in our ability to share compassion, register love and show mercy to one and all.

What better time and moment in life than to use

this Hari Raya Aidil Fitri celebration to let gratitude, happiness, appreciation and goodness to be our song and rhythm of joyous coming together.

I am also deeply concerned about road safety and pray for your safety if you are travelling. Drive safe. Be alert. Rest if you are tired along the way. And of course, stay calm.
